Welcome

We are excited to share this year's fun filled Christmas Activities Programme. You can choose to laze on the beach with a book and cocktail OR enjoy hikes along the island's rugged east coast, daily activities for the kids, outdoor movies, our barefoot beach bonfire, a visit from Santa "island style" and so much more.

As our guest you enjoy activities, pool and beach services at both of our sister resorts Saint Peter's Bay and Port Ferdinand. Please be sure to check the location detail for the various activities in our programprogramme. We offer complimentary daily scheduled water taxi transfers between resorts (refer to Water Taxi Service section of our programme).

Christmas is one of the busiest and most vibrant times to be in Barbadosso we highly recommend that you work with our concierge team to help you plan your stay your way in advance of your arrival. Be it on site activities, restaurant reservations, exhilarating adventures or pure relaxation, leave the arrangements to us!

At this busy time of year we also recommend letting us secure the comfortsand provisions you enjoy on your behalf as grocery stores are very busy and have limited hours. When finalising your travel details with us, please let us know the items you wish to have pre-stocked in your villa. Shopping hours are limited on December 24th and stores are closed on December 25th, 26th and January 1st.

We also invite you to Celebrate Christmas in your island home with a beautifully pre-decorated Christmas Tree and a traditional Christmas Turkey meal.

Contact our concierge team for additional information and reservations for our Christmas activities and more.

We look forward to welcoming you

In order to facilitate some of the special events scheduled during the Christmas week, we may need to have areas by the pool, beach and the Gazebo vacated in order to facilitate the set up. We appreciate your co-operation.
